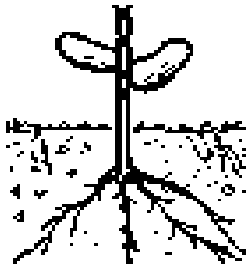
PLANTING THE SEEDS OF
NEW HOME OWNERSHIP...
MILLARD PLACE
POST FALLS, IDAHO



YOUR NAME IN STONE TO SUPPORT
HABITAT FOR HUMANITY OF NORTH IDAHO'S, MILLARD PLACE PROJECT

Now you can invest in the building of simple, decent, affordable homes in partnership with those in need by supporting Habitat for Humanity of North Idaho, and have your name or a message of your choice engraved in a paving stone to be permanently displayed at Millard Place, the 12 home complex being built in Post Falls, Idaho!

These distinctive 3-1/2" x 7-1/2" x 1" brick pavers will be professionally engraved with a sans-serif font (helvetica bold), .45" high, and then the inscription is filled with epoxy grout to add durability from weather and traffic. You will be able to view them in a tastefully arranged display within a common area at the Millard Place project at a future date.

To order a personalized paving stone, fill out the form below and send it in with a personal check for $50.00 for each brick or we can charge it to your Visa or Mastercard.

MAIL TO: Habitat for Humanity of North Idaho
176 W. Wyoming Ave.
Hayden, ID 83835
